

Standards of Practice

Purpose Statement

These American Massage Therapy Association (AMTA) Standards of Practice were developed to assist the professional massage therapist to:

- provide safe, consistent care
- determine the quality of care provided
- provide a common base to develop a practice
- support/preserve the basic rights of the client and professional massage therapist
- assist the public to understand what to expect from a professional massage therapist

This document allows the professional massage therapist to evaluate and adapt performance in his/her massage/bodywork practice. The professional massage therapist can evaluate the quality of his/her practice by utilizing the Standards of Practice in conjunction with the Code of Ethics, the Bylaws and Policies of AMTA, and precedents set by the AMTA Grievance, Standards and Bylaws Committees.

- 1. Conduct of the Professional Massage Therapist or Practitioner, hereinafter referred to as "Practitioner"**
 - 1.1. AMTA members must meet and maintain appropriate membership requirements.
 - 1.2. Individual AMTA members who engage in the practice of professional massage/bodywork, shall adhere to standards of professional conduct, including the AMTA Code of Ethics.
 - 1.3. The Practitioner follows consistent standards in all settings.
 - 1.4. The Practitioner seeks professional supervision/consultation consistent with promoting and maintaining appropriate application of skills and knowledge.
- 2. Sanitation, Hygiene and Safety**
 - 2.1. Practitioner provides an environment consistent with accepted standards of sanitation, hygiene, safety and universal precautions.
